- January 24 MPJH Panther Registration for 6th graders 9:00-12:00 yellow stairs
CI Winter Professional Development – 2nd Grade
Davis County Health Height & Weight Project 9:00-10:30 in gym

Your school was randomly selected to participate in the project. The project consists of taking height and weight measurements of students from one 1st, 3rd, and 5th grade class. Information gathered will consist of height, weight, sex, school grade, month and year of birth. Students' names will not be recorded. No student will be identified or singled out. Because weight can be a sensitive issue, participating students will not see their weight reading. Local health department staff will take the measurements and provide all equipment.

Parental permission is necessary for students to participate. We will coordinate directly with teachers to distribute and collect permission slips.

These are the 1st, 3rd, and 5th grade classes that have been randomly selected to participate at your school:

1st grade: Pam Cote
3rd grade: Ashleigh Fagergren
5th grade: Angela Robinson

Plan on about 30 minutes for your class to participate. Thank you!

- January 25 CI Winter Professional Development – 3rd Grade
- January 29 CI Winter Professional Development – 4th Grade
